ABOUT MOFINO

HELLO!

Mofino creates solutions for clients since 2012. Starting out with stickering, sign-making, and eventually providing clients with custom builds and unique promotional items. We have all the resources to deliver the products you need, whether it's a branded giveaway or a fully customized solution. Mofino is here to be your trusted supplier.

This brochure is dedicated to one of our most unique and innovative creations: custom bottle lamps. These original items are fully customizable and can be tailored to perfectly align with your brand identity. Over the years, we've partnered with some of the world's biggest names, including Coca-Cola, Duvel, and others, to design bottle lamps that captivate audiences and enhance brand visibility.

Discover the possibilities and accompanying products further in this brochure.

“ILLUMINATE YOUR BRAND WITH
CUSTOMIZED LED FILAMENTS,
WHERE INNOVATION SHAPES
THE LIGHT!”

ADVANCED PERSONALIZATION

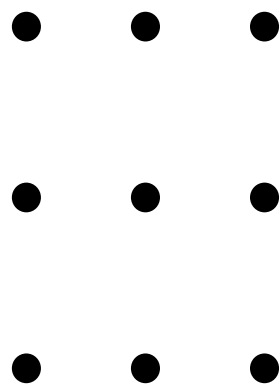

INTRODUCING
CUSTOMIZED
LED FILAMENTS

Take your branding to the next level with our newest innovation: lamps featuring fully personalized LED filaments. This cutting-edge technology allows you to combine shapes and colors to create a truly unique design. Imagine your logo or signature element beautifully illuminated within the lamp, turning it into a striking centerpiece.

Whether you're looking to enhance the ambiance at an event, create a standout decorative item, or develop a high-end promotional product, our custom LED filament lamps offer endless possibilities. Bring your vision to light with Mofino's expertise in personalization and design!

STRING LIGHTS

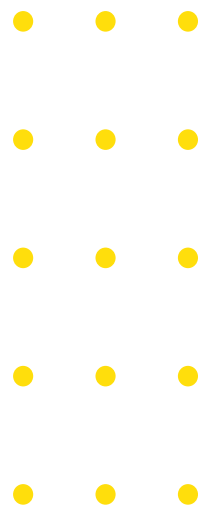

HEAVY DUTY / OUTDOOR USE

Our professional string lights are the perfect complement to our custom lamps. Built to last, these high-quality lights are designed to withstand the elements, making them ideal for outdoor use. Whether for an event, a promotional setup, or creating an inviting atmosphere, our durable string lights are both stylish and resilient, ensuring your brand shines brightly, rain or shine.

“CONNECT, SHINE, AND CREATE THE PERFECT ATMOSPHERE, OUR STRING LIGHTS LIGHT UP ANY SPACE, BIG OR SMALL!”

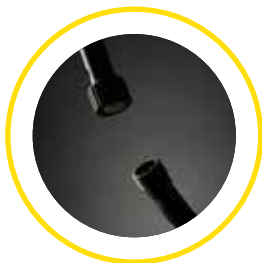

STRING

PROFESSIONAL QUALITY

CONNECTABLE

Our string lights are designed for easy connectivity, allowing you to link multiple strands together, with a maximum load capacity of 2200 watts across the total connected length. This means you can extend your lighting setup over hundreds of meters, creating a stunning atmosphere wherever you need it. Whether for an event, outdoor space, or promotional display, these versatile lights provide the perfect combination of durability and ambiance.

DIY CRATE LIGHT!

MAKE A CHANDELIER OF YOUR CRATES

Unleash your creativity with our DIY Crate Light Set! This complete kit allows any enthusiast to transform a simple beer crate into a stunning chandelier in just a few minutes. The result is an artistic and elegant piece perfect for any interior space. Pair it with our unique bottle lamps to create a truly one-of-a-kind lighting experience that combines style and originality.

“A BOTTLE SHINES
ON ITS OWN,
BUT A GLORIFIER
TURNS IT INTO
AN EXPERIENCE.”

GLORIFIER

BOTTLE LAMP GLORIFIER

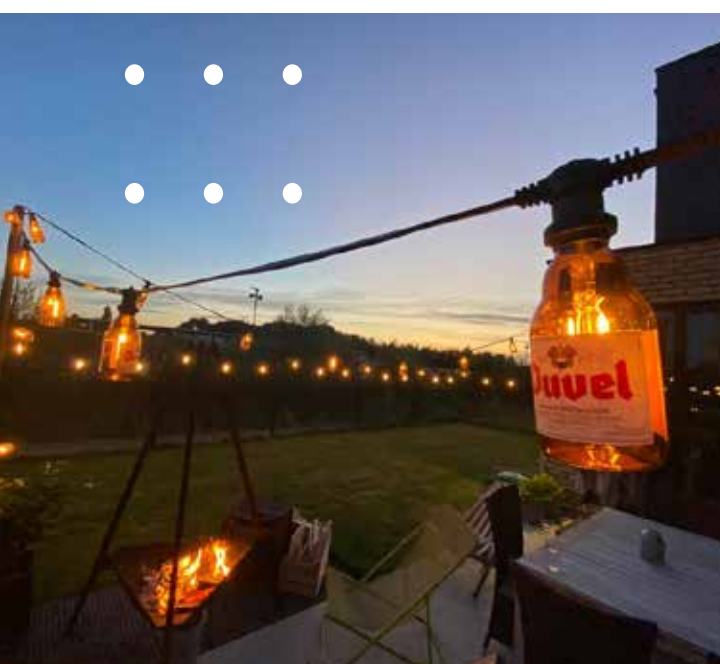

ELEVATE THE MOMENT WITH CUSTOM GLORIFIERS

Our tailor-made glorifiers are designed to give your bottlebulbs the spotlight they deserve. Crafted with precision and built to blend seamlessly into any display, they add depth, glow and just the right touch of “wow”. Whether it’s a boutique setup or a large in-store activation, these compact light fixtures turn every bottle into a showpiece that stops people in their tracks.

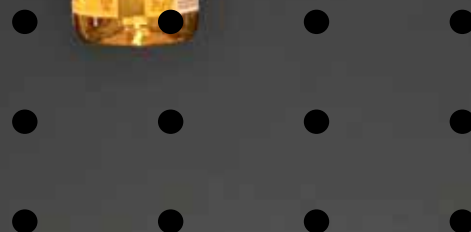

**CREATIVITY
LIGHTS THE SPARK,
LOGISTICS
MAKE IT SHINE.**

A selection of our bottle lamp realisations from recent projects. Each piece reflects the same dedication to detail, from custom design to flawless on-site execution. With Mofino, creativity doesn't stop at production: our logistics team ensures every display arrives safely, on time, and exactly where it needs to shine.
